

ARTEMIS II

Mission Overview

Overview of NASA's Artemis II Mission, highlighting NASA Glenn Research Center's contributions to the mission. The discussion includes photos and video highlights from onboard the Orion spacecraft as crew members Reid Wiseman, Victor Glover, Christina Koch and Jeremy Hansen made the 9.5 day journey around the moon and back.

SPEAKER

Katie Oriti

Manager, Orion European Service Module (ESM) Integration Office
Division Chief, Exploration Systems Integration Office
NASA Glenn Research Center

Katie Oriti leads the Orion European Service Module (ESM) Integration Office and oversees the Argonaut Integration Team supporting NASA's Moon Base program. She has played a key role in the ESM's certification and the Artemis II mission. Katie is a mechanical engineering graduate of Ohio Northern University.
